O R D E R:-

In the reference read above, the Director of Handlooms and Textiles and Development Commissioner for Apparel Export Parks, Andhra Pradesh, Hyderabad has stated that the Vice-Chairman and Managing Director, Andhra Pradesh State Handloom Weavers Co-operative Society Limited (APCO), Hyderabad has stated that APCO has conducted a workshop on 24-04-2009 at Central Office, to take the views of the employees of different categories on various important issues. The participants have proposed that consequent on implementation of PACT online accounting system, the recruitment to the post of Junior Assistants may not be necessary to the extent of cadre strength and a minimum of (40) posts of Junior Assistants out of the sanctioned strength of (60) may be converted as Junior Technical Officers to strengthen the technical and commercial wings of APCO. Further, the participants of workshop have also observed that as against the total sanctioned cadre strength of (757), the present strength is only (633) of APCO, which will further be reduced to (507) due to the schedule retirement of (126) employees during the next three years and it has therefore been felt that it is necessary to take up the recruitments to avoid serious manpower scarcity in the Organization. The participants of workshop have proposed that the candidates holding Diploma in Handloom Technology from Indian Institute of Handloom Technology (I.I.H.T.) Venkatagiri / Salem / Gadag will be more suitable for employment in APCO, as they are imparted training in different technical subjects related to the Industry apart from training in Computers, designing etc., during the course of their studies. Further the recommendations of the workshop have been examined and it is decided to submit a detailed proposal for conversion of (40) posts of Junior Assistants as Junior Technical Officers with the approval of the Managing Committee along with necessary amendments to the Special Bye-Laws of APCO separately. In view of the serious Manpower scarcity which is expected to arise in APCO due to the retirement of a large Number of employees in the coming years, it is decided to appoint (50) I.I.H.T. Diploma holders on contract basis. Further, it is proposed that the selection of I.I.H.T. Diploma holders will be done purely on merit basis, basing on the marks obtained, by calling for Online applications from the eligible candidates. The selected candidates will be appointed initially for a period of one year on consolidated remuneration of Rs.6,500/- p.m., as was done in the earlier appointments of such candidates in campus selection. The selected candidates shall be provided training in technical, administrative, commercial fields during their contractual service. The candidates after completion of their training will be posted either in technical or commercial or administrative side as per the requirement.

It is not creation of posts but filling up of the existing vacancies of Junior Assistant posts by conversion and on contract appointment on a consolidated pay of Rs.6,500/- per month. The total financial burden for filling up of (50) Technical Assistant Posts in place of vacant post of Junior Assistants will be Rs.3.25 lakhs per month and Rs.39.00 lakhs per annum.
